Questions & Answers

Buy Online Pick up in Store Questions

What is Buy Online Pick Up in Store?

Buy Online Pick Up in Store allows you to place an order on www.boscovs.com, and based on the items' availability at your selected store, pick it up at the Courtesy Desk* in the store.

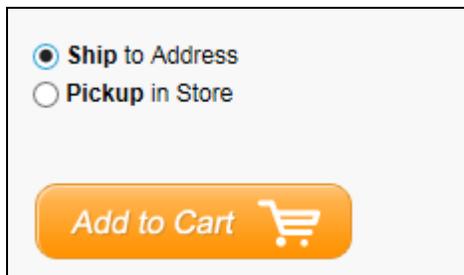

*Some items, due to the size or value, must be picked up at other areas in the store. If that is the case with your order, you will be notified of this upon completing your order at the Courtesy Desk.

What items are eligible for Buy Online Pick Up in Store?

Items sold on www.boscovs.com can be picked up in the store with the exception of:

- Online only items
- Items that require Home Delivery such as mattresses, furniture, and patio sets
- Items that we can't guarantee availability of due to very low stock

If an item is able to be picked up in the store, there will be an option to choose Ship to Address or Pickup in Store above the Add to Cart button on the product page.

How can I pay for my order?

We accept Boscov's Credit Cards, Boscov's gift cards, Visa®, MasterCard®, Discover®, and American Express® for orders containing items designated to be picked up at a store. We are unable to accept PayPal® orders containing items designated to be picked up at a store.

Why are some items not available at my local store?

Merchandise inventory can vary from store to store, and some items may be available while others are not. If an item is not available at your preferred store, try another location, or select to have it shipped to your home.

What does limited quantity mean?

Limited quantity means there is low stock of an item in a specific store and we cannot guarantee the item will be available when we attempt to fill your order.

How will I know when my order is ready to be picked up?

An email will be sent to you and the person you designated to pick up your order when all items have been located and are gathered at the Courtesy Desk. In the event that an item is no longer available in your selected store, the item will be cancelled from the order and you will receive a separate email notification.

When will my order be ready for pick up?

In most cases, orders placed before 6pm will be ready for pick up the same day. Orders placed after 6pm will be ready the next business day. We will always send an email notification to let you know when your order is ready to be picked up.

How long do I have to pick up my order?

Your items will be held for pick up for 5 days. If your order is not picked up by the day after a fourth pick-up reminder is sent, it will be cancelled and the items will be returned to the selling floor. Although you will not be charged for any order that is not picked up, an authorization hold in the amount of your order is placed on your payment card at the time the order is placed. Once an order is cancelled, Boscov's notifies your bank to release the hold, but the bank may take additional days to release the authorization hold from your account.

What do I need to bring with me to pick up my order?

Bring id and your pick up notification email to the Courtesy Desk. Accepted forms of id are a driver's license, state id, passport, and military id.

Who can pick up my order?

In addition to yourself, the person you designated in the checkout process may pick up the order. Bring the Ready for Pick-up email and identification (driver's license, state id, passport, or military id) to the store.

Where in the store do I go to pick up my order?

Proceed to the Courtesy Desk in the store to complete and pick up your order. Although most items can be picked up at the Courtesy Desk, some items, due to size or value, must be picked up at other areas in the store. If that is the case with your order, you will be notified of this upon completing your order at the Courtesy Desk.

When will I be charged for the order?

You are charged for the order when it is completed at the Courtesy Desk. However, an authorization hold for the amount of the order will be placed on your payment card when the order is placed. This guarantees we can complete your order and charge your card when you arrive to pick it up.

What if I have completed my order and the item doesn't fit in my vehicle?

After completing and paying for your order at the Courtesy Desk, large items, such as vacuums, will be available for pick up at the Customer Pick Up area in the store. Items being held at Customer Pick Up must be signed for. If the item does not fit in your vehicle, do not sign indicating you've pick up the item. Bring your paper or email receipt to Customer Pick Up when you return with a vehicle that can accommodate the item.

Can I cancel my order?

You can cancel an item or the entire order by calling Shopper Services at 1-800-284-8155 9am to 10pm ET Monday through Saturday and 11am to 8pm ET on Sunday.

Can I pick up items at multiple store?

Yes, you can select multiple stores to pick up your items at while placing the order.

Can I pick items up at a store and have some shipped to me in the same order?

Yes, you can select multiple pickup locations and choose to have items shipped to you all in one order.

If you need to change the pickup store, the order needs to be cancelled and a new order needs to be placed indicating the new location. To cancel the order please contact Shopper Services at 1-800-284-8155 Monday to Saturday 9 am to 10 pm and Sunday 11 am to 8 pm EST. Or, you can email us at shopbyphone@boscovs.com.

Why do I need to provide a shipping address if I'm picking my items up at a store?

A shipping address is required for verification purposes.

How do I return items I purchased online but picked up in the store?

If, for any reason, you are less than completely satisfied with your purchase, just return it with the receipt to any Boscov's store within 90* days of the order date. We will replace it, exchange it, or refund the price that was paid. Refunds are issued in the same tender as the original purchase. If the original purchase was charged to another cardholder's account (as is often the case with a gift) the refund will be issued as a Merchandise Credit Card. Misuse of merchandise voids all return/warranty policies.

*Fine jewelry and watches may be returned within 30 days of purchase with a receipt. Merchandise returned must be in original condition with original packaging and tags.
